## A worthy Suc- cessor.

"Something New Under  
The Sun."

All Doctors have tried to cure  
CATARRH by the use of powders  
acid gas, inhalers and drugs in  
paste form. Their powders dry  
up the mucus membranes caus-  
ing them to crack open and bleed.  
The powerful acids used in the  
inhalers have entirely eaten  
away the same membranes that  
their makers have aimed to cure,  
while pastes and ointments cannot  
reach the diseases. An old and  
experienced practitioner who  
has for many years made a close  
study and specialty of the treat-  
ment of CATARRH, has at last  
perfected a treatment which  
relieves at once, but permanently  
cures CATARRH, by removing  
the cause, stopping the discharg-  
es, and curing all inflammation.  
It is the only remedy known to  
science that actually reaches the  
afflicted parts. This wonderful  
remedy is known as "SNUF-  
FLES" the GUARANTEED  
CATARRH CURE and is sold  
at the extremely low price of One  
Dollar, each package containing  
internal and external medicine  
sufficient for a full month's treat-  
ment and everything necessary to  
its perfect use.

"SNUFFLES" is the only  
perfect CATARRH CURE ever  
made and is now recognized as  
the only safe and positive cure  
for that annoying and disgusting  
disease. It cures all inflammation  
quickly and permanently and is

also wonderfully quick to relieve  
HAY FEVER or COLD in the  
HEAD.

CATARRH when neglected  
often leads to CONSUMPTION-  
"SNUFFLES" will save you if  
you use it at once. It is no  
ordinary remedy, but a complete  
treatment which is positively  
guaranteed to cure CATARRH  
in any form or stage if used ac-  
cording to the direction which  
accompany each package. Don't  
delay but send for it at once, and  
write full particulars as to your  
condition, and you will receive  
special advice from the discoverer  
of this wonderful remedy regard-  
ing your case without cost to  
you beyond the regular price of  
"SNUFFLES" the "GUARAN-  
TEED CATARRH CURE."

The U. S. Government declines

to get excited over the latest pe-  
nat revolution in Central America  
notwithstanding the hysteria of  
certain gentlemen who have busi-  
ness interests over there. We  
have a treaty with Colombia by  
which the neutrality of the  
Panama railroad is guaranteed,  
and if Colombia cannot enforce  
that treaty, this government will  
do so with its naval forces, as  
it has done before. The gun-  
boat Machias has been ordered  
to proceed to Colon, the eastern  
terminus of the Panama railroad,  
and it is believed that no stronger  
force will be needed to protect  
American interests in the Isthmus  
but as a precautionary measure,  
the cruiser Ranger now on the  
Pacific coast, has been ordered  
gotten in readiness so she can be  
sent to the Pacific side of the  
Isthmus should it be thought  
necessary. This government  
has nothing to do with the war  
between Colombia and Venezuela  
which seems to have grown out  
of the revolution against the  
government of Colombia, and  
will not interfere in any way un-  
less it becomes necessary for the  
protection of American interests.  
That is the whole story in a nut-  
shell, which has started all of  
the yellow journals to yawping  
and predicting that we are about  
to become involved in an Europ-  
ean war on account of a little  
rumpus on the isthmus.

Habit.

It is now generally known and  
understood that Drunkenness is a  
disease and not weakness. A  
body filled with poison, and nerv-  
es completely shattered by peri-  
odical or constant use of intox-  
icating liquors requires an anti-  
dote capable of neutralizing and  
eradicating this poison, and des-  
troying the craving for intoxi-  
cants. Sufferers may now cure  
themselves at home without  
publicity or loss of time from  
business by this wonderful  
"HOME GOLD CURE" which  
has been perfected after many  
years of close study and treat-

use according to directions of this  
wonderful discovery is positively  
guaranteed to cure the most ob-

marvelous transformation of
